Dear LTTL Volunteers and Supporters,

I just want to extend a special thank-you for all you do in support of Less Than The Least (LTTL) Ministries. As you may know by now, I was recently awarded the 2019 Governor's Criminal Justice Volunteer Service Award for Religious Service. Without you, I would not have received this award. It really belongs to all of us who volunteer and support LTTL Ministries.

I thank God every day for those He has called to be part of this ministry. LTTL currently has 79 volunteers and several more people are considering joining our team. God is blessing us with new volunteers who sense His call to minister to those in white.

Because of you, LTTL Ministries is making a difference in the lives of offenders and ex-offenders. I pray that this award recognition will encourage and challenge us for the future. I am greatly blessed to be your Director.

God bless you all,

David Gunter Sr., Executive Director
